

OXYZ INTERNATIONAL SYMPOSIUM 2025

Global Science
Regenerative Medicine
Scalable Success.

Presented by
OXYZ Health & Wellness & OXYZ Esthétique

In scientific partnership with DFGTT

Deutsch-Französischen Gesellschaft
für Thymus-Therapie (Germany)

ABOUT OXYZ

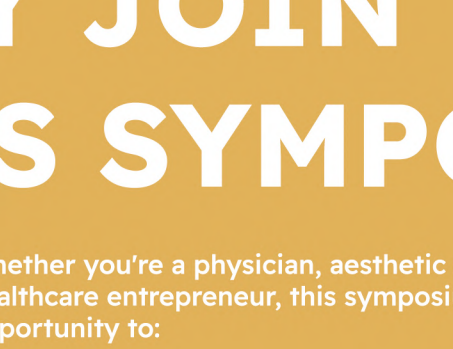

A Global Standard in Integrative, Regenerative & Anti-Aging Medicine

OXYZ is a science-based, system-led platform empowering medical professionals and wellness entrepreneurs worldwide. Headquartered in Malaysia, with a trade office in Singapore and scientific collaborations in Germany and the United States, OXYZ unites clinically validated regenerative solutions with structured business frameworks.

Our proprietary 5D concepts - both clinical and commercial - enable modern practices to deliver measurable health transformation and sustainable business performance.

SCIENTIFIC ACCREDITATION

In Collaboration with DFGTT - Germany
Founded in 1961, the Deutsch-Französische Gesellschaft für Thymus-Therapie (DFGTT) is an internationally recognized institution in thymus-based immune therapy. DFGTT pioneered the field of biological cell factor medicine and continues to guide safe and effective usage of xenogenic-derived cell extracts in medical practice. OXYZ's integrative protocols are aligned with DFGTT's ethical and scientific framework and utilize Germany-sourced xenogenic cell factors for regenerative, immune-modulatory, and anti-aging applications.

* Accredited by DFGTT
in the field of Thymus-Therapie

WHY JOIN THIS SYMPOSIUM

Whether you're a physician, aesthetic specialist, clinic operator, or healthcare entrepreneur, this symposium offers a unique opportunity to:

Gain Scientific Depth

- Learn the science behind immune modulation, inflammation control, and regenerative therapy
- Explore the mechanisms and applications of xenogenic cell factors from Germany
- Gain insights from global leaders in functional medicine and aesthetic regeneration

Develop Practical Competency

- Observe live cell therapy with regenerative cell extracts
- Hands-on demonstrations in:
 1. Live Blood Analysis
 2. Dried Layer Blood Encryption
 3. HRV & Bio-Resonance Testing
- Undergo your own full diagnostic screening (USD 800 value)

Explore Business Growth Models

- Discover the OXYZ 5D Business Framework for scalable success
- Understand revenue strategies across diagnostics, treatments, products, and aesthetic services
- Collaborate with OXYZ through structured clinical and commercial partnership models

Create a Competitive Edge

- Combine internal regenerative care with external cellular aesthetic protocols
- Learn to deliver full-spectrum client results with OXYZ's "In & Out" transformation model
- Observe the OXYZ Cell Protocol and explore how to build a results-based wellness and aesthetic brand

Build Long-Term Value

- Receive certification jointly endorsed by OXYZ and DFGTT
- Gain 1-year access to the OXYZ Integrative & Regenerative Medicine Academy
- Receive tools, training, and protocols to sustain clinical excellence and business growth

PROGRAM OVERVIEW

Translating Science into Systems. Advancing Care into Scalable Business.

Medical & Scientific Foundations

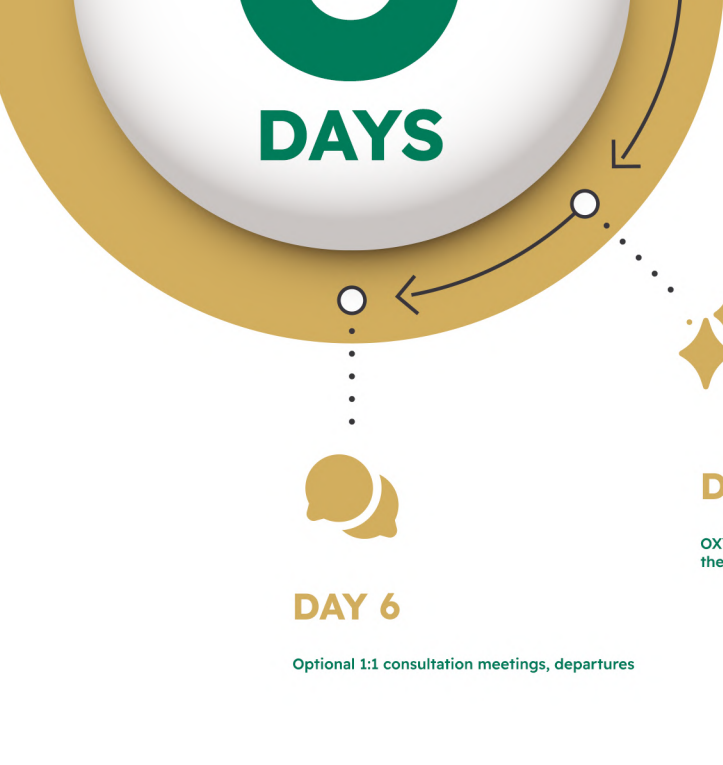

- Regenerative medicine using xenogenic-derived cell factors
- Functional protocols for inflammation, immune recovery, detox, and biological aging
- Aesthetic rejuvenation using bioactive cellular compounds
- Backed by decades of clinical experience and patient case studies supported by DFGTT (Germany)

Diagnostics & Clinical Integration

- Live Blood & Dried Layer Analysis for inflammation and cellular damage
- HRV + Bio-Resonance testing for stress and energy profiling
- Live cell therapy demonstration: safety, preparation, administration, and client management
- Personal health screening included for every in-person delegate

Business Structuring & Scalability

- The OXYZ 5D Business Model: Direction, Discipline, Development, Diversity, Dedication
- SOPs for diagnostics, treatment flow, team training, and follow-up systems
- CRM-based care cycle and automation
- Discover how you can collaborate with OXYZ through structured, scalable business and clinical partnership opportunities

- 1 DISCOVERY**
State of health (risk factors, diseases, and root cause)
- 2 DETOXIFICATION**
Eliminating the toxins to heal
- 3 DEFENCE**
Restore and protect
- 4 DYNAMIC**
Full of longevity and energy with OXYZ's Micro, Macro, and Mega+ Cell Regeneration
- 5 DIETARY**
Lifestyle, supplementation and diet management

Regenerative Aesthetics & Brand Experience

- OXYZ Micro Cell for facial rejuvenation: firming, pigmentation, skin repair
- How to package anti-aging from the inside out and create competitive advantage
- Visit and experience the new OXYZ Esthétique Clinic as a model for premium, integrative success

EVENT SCHEDULE SUMMARY

Detailed agenda to be finalized. Sessions and timings are subject to confirmation.

DAY 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 6
Arrival in Kuala Lumpur, welcome networking dinner, check-in	Scientific conference with global speakers and OXYZ protocol overview	Diagnostic workshops, live cell therapy demos, testimonials, business preview	Personal screenings + ZHHT/EECP trials, business meetings, transfer to Johor Bahru	OXYZ Esthétique Clinic launch, integrated cell therapy showcase, final business insights	Optional 1:1 consultation meetings, departures

Type	Early Bird	Standard
In-Person (6D5N)	USD 1,500	USD 2,000
Online (2 Days Only)	USD 900	USD 1,200

In-Person Package Includes:

- 5 nights twin-sharing hotel (+USD 750 for single occupancy)
- Full access to all programs, screenings & demos
- Daily meals, refreshments, and event-day transport included
- Certification & OXYZ Academy membership
- Personal screening and service experience (USD 800 value)

Join the global movement redefining modern medicine through innovation integration, and impact.
